Thank you for considering American National Insurance Company as your insurance carrier.

One of the prime objectives of our Company is to provide insurance at the lowest possible cost. The underwriting process (evaluation of risks) is necessary not only to assure this low cost, but also to assure that each policyholder contributes their fair share of the cost. In considering your application, information from various sources must, therefore, be considered. These include the results of your physical examination, if required, and any reports we may receive from doctors and hospitals who have attended you.

Medical Information Bureau (MIB) Pre-Notification - Information regarding your insurability will be treated as confidential. The American National Insurance Company may, however, make a brief report thereon to MIB, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its Members. If you apply to another MIB Member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have in your file. Please contact MIB at 866-692-6901 (TTY 866-346-3642). The American National Insurance Company, or its reinsurers, may also release information in its file to other insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted.

Fair Credit Reporting Act Pre-Notification - Federal and state laws require notification that, in connection with your application, we may request an investigative consumer report. In addition, such a report may be requested subsequently to update our records or if you apply for additional coverage. Upon written request, we will inform you whether or not an investigative consumer report was requested and, if such a report was requested, the address and telephone number of the investigative agency to which the request was made. By contacting the local office and providing the proper identification, you may inspect or, for the appropriate fee, receive a copy of such report.

Typically, the report will contain information as to character, general reputation, personal characteristics and mode of living, which information is obtained through an interview with you or an adult member of your family, employers or business associates, financial sources, friends, neighbors or others with whom you are acquainted. The information will consist, when applicable, of a confirmation of your identity, age, residence, marital status, and past and present employment including occupational duties, financial information, driving record, sports and recreational activities, health history, use of alcohol or drugs if any, living conditions and type of community.
